

Joint Statement of Students' Unions

Date: 10th September, 2021.

Now is the third time of the repeated coups by the fascist military with the purpose to oppress and exploit the people for the benefit of their own kith and kin. Throughout all those recurring coups of the fascist military, we, students, have fought, handing on the unyielding red flag of the fighting peacock, and our fight rages on to this day. Even amidst the crackdowns by the military, the chants of Students' Unions and youths against military dictatorship are still covering the streets to this day. Overseas students are still serving the revolution in every possible way as well. The common goals of all the people are the absolute eradication of the fascist military and dictatorship and building Federal Democracy Union.

We now observe that the fascist junta is relentlessly trying to earn international recognition, including that of the United Nations. We, students, and the people have demonstrated our objection against ASEAN's attempts of helping the fascist junta gain recognition. Furthermore, we, the Students' Unions, earnestly request United Nations, International Governments and Organizations not to acknowledge the terroristic fascist junta. Concurrently, we declare unequivocally that we, the Students' Unions, condemn nations and organizations that are helping the fascist junta to get recognition.
