Statement on the decision of U.N. Credentials Committee

1. We, Committee Representing Pyidaungsu Hluttaw (CRPH), warmly welcome the decision on rejection of Myanmar Military Junta's nominated representative to the United Nations at the U.N. Credentials Committee dated 1 December 2021. On behalf of the Myanmar people, we greatly appreciate the decision and hard work of the Ambassador Mrs. Anna Karin Eneström of Sweden, Chairwoman of the committee and its members.
2. Political, economic and diplomatic sanctions on the military junta rendered by global communities and countries are pivotal and effective actions to terminate brutalities of military junta, the absolute collapse of military dictatorship and to restore Democracy in Myanmar.
3. Furthermore, with the expectation and aspiration of the Myanmar people, we reiterate and call for the member states to support the affirmation of the Credentials Committee's decision at the upcoming 76th session of the United Nations General Assembly. Hence, we urge you to ensure Ambassador U Kyaw Moe Tun as the Permanent Representative of Myanmar to the United Nations who stands with the entire people of Myanmar in this critical time.
