**National Unity Government Union Minister Holds Video Conference
with the ASEAN Special Envoy**

15 July 2026

On 13 July 2026, the Union Minister for Foreign Affairs of the National Unity Government (NUG) held a video conference with the ASEAN Special Envoy and Secretary of Foreign Affairs of the Republic of the Philippines.

During the meeting, the Union Minister emphasized that ASEAN's efforts to implement the Five-Point Consensus should build upon the continuity and progress achieved through previous engagements that involved a broad range of stakeholders in Myanmar. The Minister also noted that, as the ASEAN Special Envoy had already held separate meetings with members of the Steering Council for the Emergence of a Federal Democratic Union (SCEF), it was hoped that the common positions shared by the National Unity Government and the members of the SCEF had become clear.

The Union Minister further stressed that bringing together the Steering Council for the Emergence of a Federal Democratic Union (SCEF)—the collective leadership mechanism of Myanmar's democratic forces—along with the National Unity Government, ethnic resistance organizations, and allied democratic forces in a unified engagement would enable ASEAN to gain a more comprehensive understanding of the political realities in Myanmar and contribute more effectively to an inclusive political solution.

The meeting was also attended by Dr. Sai Khaing Myo Tun, Deputy Minister for Foreign Affairs of the National Unity Government.
